

SCROLL DOWN FOR CLOSE-UPS

Lucinda Ashmore participated in a Round Robin challenge in her quilting bee. She made the centerpiece medallion and her bee members each took a turn at one of the borders. The results are beautiful and we couldn't resist giving this one the full custom treatment, with stitch in the ditch between borders and major sections, modified echo quilting and other free motion styles in the medallion and a variety of custom designs in the borders. This quilt will be hung at Honey Bee Quilt Store for their spring shop hop.
